NOTE FOR: The Director

Dear Stan:

Here is the IIM on the European Communist Parties.

I would like to distribute it promptly to the working party which is dealing with this topic as a follow-on with PRM-9. I would prefer to be able to say it has been approved by you and will accordingly hold off sending it out until Monday in case you get a chance to read it by then.

It will also be the basis of any briefing of the President. While it looks bulky it has two summaries. The Executive Precis is only three pages, double spaced. The Overview is about eight pages, single spaced. The rest of the paper elaborates by topic and can be considered as tabs to the Overview.
